Health Care Scholars Program

Students completing 9th & 10th Grade

Interested in a career in healthcare?
1 Week Summer Camp and more!

July 14 - 18 or July 21 - 25, 2008
8 AM - 12:00 PM

Delgado Community College
Charity School of Nursing

Mission- A program to encourage 9th and 10th graders to select healthcare as a career by engaging participants in active learning with topics focused on healthcare careers, life skills, going to college and others. Mentorship and ongoing communication will be part of the program after completion of the summer camp.

Format:

- 1 week summer camp, -4 hrs. per day
- mentors through Charity Association of Student Nurses (CASN) and Allied Health student organizations
- mid-semester social each semester at Charity School of Nursing for all participants
- ongoing communication through a blog

Location:

Charity School of Nursing, 450 South Claiborne Avenue (corner of South Claiborne & Perdido St.) in downtown New Orleans

Student qualifications:

- GPA 2.0
- Interest in healthcare as a career
- Application
- Teacher recommended
- Parental consent (agree to discipline policy & dress code)

Maximum class size: 35

Students and parents are expected to provide own transportation to and from the program. Food and drinks will not be allowed in classroom areas. Students may bring food and drinks to consume during a break period in the day. Students will receive a Health Care Scholars shirt and program materials free of charge.

Application: Complete the application on the reverse. Obtain a letter of recommendation from a teacher. Letter must include reference to GPA. Attach a recent picture to your application. Attach 1 page essay describing why would like to be a Health Care Scholar and your interest in healthcare as a career.

Mail the application to: Stacey Thompson, Delgado Community College, Charity School of Nursing, 450 S. Claiborne Ave., New Orleans, La. 70112 before June 1, 2008.

Program

Monday: 7 Habits of Highly Effective Teens, Getting to Know Each Other, Health Care Experiences, Nursing as a Career, Allied Health Careers, First Aid

Tuesday: Healthcare Career Aptitude Assessment, Professionalism in Healthcare, Customer Service, Meet Your Mentor, Study Skills, Stress Management, Meet Kelly & Pat (human patient simulators at CSN)

Wednesday: Learning Style Assessment, Hospital Tour

Thursday: CPR Certification

Friday: Getting Into College, Paying for College, Goal Setting & Plans to Accomplish Goals, Graduation

Discipline policy:

- student is expected to treat all individuals encountered in the healthcare program with respect (program presenters, other students, mentors, etc.)
- student is expected to behave in a manner that promotes learning for all.
- students who violate above will be sent home with a disciplinary note for parent's signature
- 2 infractions will result in dismissal from the program

Dress Code:

Dress in a manner that is appropriate for a learning environment. No short shorts, low-rider pants, halter tops, bare midriffs, biker shorts, tank tops, clothing with inappropriate messages or commercial logos or bare feet. Health Care Scholars t-shirt must be worn on each day of the program.
